? - Did You Know - ?

Oconomowoc has an electric utility, but has no local power plant. We are partial owners of a 51 member cooperative that efficiently negotiates purchased power on our behalf. We receive this power at our substations and deliver it to each of our individual customers. Find out more about Wisconsin Public Power Inc., at www.wppienergy.org.

LARGE POWER SERVICE

– Time-of-Day Service (Cp-2)

Demand between 200kW and 1,000kW per month

Customer Charge:		\$250.0000 per month

Electric Rate Information

On-Peak Hours:

Residential & General Service: Choice of 7am to 7pm, 8am to 8pm, or 9am to 9pm Monday through Friday, excluding holidays

Small, Large & Industrial Power: 8am to 8pm Monday through Friday, excluding holidays

Off-Peak Hours: All times not specified as On-Peak

Power Cost Adjustment: All energy charges (per kWh) are subject to the Power Cost Adjustment (PCA) reflecting monthly changes in the cost of power generation and transmission.

Commitment to Community Charge: State required funding of low income assistance and energy efficiency programs. The charge shall not exceed the greater of the monthly amount shown or 3.0% of the other electric charges excluding sales tax.

Energy Charge: The total cumulative quantity of electric energy delivered during the billing period measured in kilowatt hours (kWh)

Demand Charge: The peak single moment of electric energy consumption during the current billing period on-peak hours, measured in kilowatts (kW)

Distribution Demand Charge: The peak single moment of electric energy consumption during the prior twelve months regardless of time of day, measured in kilowatts (kW)

Commercial Discounts: Cp-1, Cp-1 TOD, Cp-2 & Cp-3 rates have discounts available:

- ❖ Primary Metering: 1.75% of Energy, Distribution Demand, and Demand charges
- ❖ Transformer Ownership: \$0.60 per kW of Distribution Demand

City of Oconomowoc

Wastewater Utility Rate Summary

(Effective January 31, 2017)

GENERAL SERVICE - METERED

Monthly Service Charge \$7.09

Volume Charges per 1,000 gallons of water usage

(Class based on waste strength)

Class "A" (standard)	\$4.65	residential / commercial
Class "B" (high)	\$5.17	commercial
Class "C" (special)	\$4.65	industrial (surcharge below)

Summer Lawn Watering Adjustment: For residential customers only, the wastewater quantity invoiced for June through October is based on the average quantity from February through April, unless actual summer water consumption is less.

Industrial Surcharges (Class "C" customers only)

BOD > 250 mg/L	\$0.39 / Lb
TSS > 270 mg/L	\$0.25 / Lb
Phosphorus > 7 mg/L	\$8.38 / Lb

SANITARY DISTRICTS

Customers located in sanitary districts outside of the City of Oconomowoc are billed at rates according to their district contracts.

Utility Programs

ACH AUTOMATIC PAYMENT

A free service allows you to have your monthly payment automatically deducted from your checking or savings account. For information call (262) 569-2198.

BILL PAYMENT ASSISTANCE

The Wisconsin Home Energy Assistance Program (WHEAP) funded by the Commitment to Community program can help income eligible customers pay for their electric service. For more information, contact Waukesha County Social Services at (800) 506-5596.

BUDGET BILLING

A program is offered that charges a fixed amount per month during the year based on your average monthly charges. The shortage/overage is reconciled once per year. For more information call (262) 569-3239.

GREEN POWER

You can provide your home or business with energy produced by renewable resources. "Blocks" of renewable energy are offered for an additional \$3.00 (300 kWh per block). For information call (262) 569-2198.

INCENTIVE PROGRAMS

❖ Central Air Tune-Up: A rebate of \$25 is available for customers obtaining a qualified tune-up & inspection of a central air conditioner (less than 5 tons) once every three years. For more information call (262) 569-2198.

❖ Tree Power: A rebate of up to \$50 per tree (limit 3) is available for qualified trees that will provide shade for an air conditioning unit or home upon maturity. For information call (262) 569-3282.

TIME OF USE RATES

Optional electric rates based on when you use energy could help you save money. For a free custom analysis to determine if this could benefit you, call (262) 569-2198.
