COMMUNITY CENTER LAWN RENTAL & USE POLICY

The Oconomowoc Community Center lawn is available to rent, but under the guidance of department staff. Careful consideration is taken regarding an event's impact on neighboring lake properties as well as the lawn area. Staff will review your application and consider the impact of your outdoor event before approving your application.

Eligibility

You must rent the Oconomowoc Community Center upper hall – either the entire upper hall or rooms A/B or B/C to be eligible to rent the lawn.

Public use

The Community Center lawn is within surrounding public access. Rental of the lawn area does not provide exclusive rights to the Community Center deck, adjacent beach, park area and lake. During the time of your rental, the public will not be restricted from using these areas. The rental only ensures exclusive use of the designated lawn area during the time of your rental.

Watercraft rentals

Watercraft rentals take place from the lawn area and adjacent storage area daily from 10 a.m. to 7 p.m. Memorial Day to Labor Day; weather permitting.

The launching area will be moved to another location during wedding ceremonies. However, rentals and transition of watercraft may occur during setup of the lawn area prior to your event. After wedding ceremonies, if lawn games or a cocktail hour are planned, waterfront staff may need to use the adjacent storage area, but will work to minimize the impact of this use during your event.

Hours

Lawn setup cannot begin before 1 p.m.

Wedding ceremonies cannot begin before 3 p.m.

Lawn use must be concluded by 8 p.m. or dusk; whichever is earlier.

Tables and Chairs

All tables and chairs must be rented through the Oconomowoc Community Center. Any equipment outside of what is provided with your rental that you bring to the event cannot be stored prior to your rental and must be removed after your event has concluded. Delivery of other items must be done with a hand truck or by carrying items onto the lawn. Driving a vehicle onto the lawn area is prohibited.

Setup

Community Center staff will provide setup of tables, chairs and a la carte items rented for the lawn. A final layout for the lawn is due at least four-weeks prior to your event.

Sound and Music

If you plan to provide outdoor sound at your event and your event is held while the adjacent beach and swimming area is in operation, sound must be at a level to not interfere with the safety of beach operations.

If outside of beach season, amplified music or sound must be no more than 50 dB(A) per city ordinance, Section 17.212.

Amplified sound during a lawn rental must end by 8 p.m. or dusk; whichever is earlier.

Outlets are available on the exterior of the building. All sound equipment must be provided by the renter.

Lighting and Decorations

All outside decorations and lighting planned for the lawn rental are subject to review and approval.

Staking decorations into the ground is prohibited.

Real flower petals are allowed on the grass area of the lawn only. They are prohibited on any concrete areas such as patio, stairs or deck areas of the Community Center. Fake flower petals are prohibited.

Food and beverage

You may host food and beverages on lower patio and lawn area only during the rented lawn use times. All food and beverage use must adhere to the Catering Contract and Community Center Policy.

Restrooms & Building Access

Community Center lower-level restrooms will be available during the time of the rental.

Cleaning/Trash

Trash receptacles are located on the patio. Staff will remove trash placed in them at the end of your event.

All trash and debris must be contained and kept off the lawn area and the surrounding beach and lake. Trash beyond food scrap and beverage refuse created during a cocktail hour, like large containers used to bring items in, must be removed by the renter or caterer.

The rental area must be left clean of any debris, trash, litter and personal items. Any damage to the facility upon inspection by City staff will be billed to the renter to include all time and materials for the repair.

Cancellations

Any cancellations of reservations will be refunded as follows:
